

Dow COP Photo Album

To COP Parents and Students:

If you want to see Dow COP photos, you'll have to set up a free account at flickr.com (note there is no "e" in flickr). If you have a Yahoo ID, you can use that too.

Here are the steps you follow once you have signed up:

1. Sign in at www.flickr.com
2. If this is your first time logging on, click on the "Explore Flickr" link. If you have already logged on, go to the "Contacts" menu on the top.
3. Select "People Search"
4. Type in my email: heill@wmfc.org
5. When you see my face, hover on it with your mouse and a triangle will appear to my right. Click on it. Then select "Add dowcop as a contact?" and mark yourself as my friend.
6. The next step is that I have to approve you to see my photos. You can either wait a week or so for me to add you, or you can just email me and say, "Please hurry...I'm dying to see these photos everyone is talking about!" and I'll do it sooner!
7. Once you have been added as a contact to my account, you'll be able to see all of the Dow COP photos. If you want, you can order prints and other photo gifts online...or you can just download them for free if you want to keep them for yourself.
8. However, you may NOT post these photos online or email them to anyone unless you have permission from everyone in the photo AND me. My settings are set to private so that no one can see the photos unless I give them permission to. I expect you to respect everyone's privacy as strongly as I do in this case.
