Winter League will begin on **January 8, 2013 at 6:30 PM**. ***The managers' meeting is the place where policies and procedures for the season are explained.*** The **deadline** for team registration is **January 4, 2013**.

Player fee is \$55 per player. Fees are non-refundable. Players may play on more than one league provided the leagues do not play each other. This will not be known until after all the teams have registered and schedules have been finalized.

New players who are added to a team's roster after the season has begun, will pay the same amount as the other players on the same team. Any player that is added to a team's roster **AFTER February 12, 2013 will pay half of their team's registration fee.**

Players may not play in games until they have registered and paid. Failure to adhere to this rule may result in forfeiture of your team's game. Players may pay their fee anytime after their team registration fee has been paid.
