Job Summary: The Lead Teacher will plan and carry out an effective child development program based on a research-based, high-quality curriculum that meets the needs of children at their level while creating a strong home-school partnership. The Lead Teacher will be responsible for supervising and evaluating members of their classroom team.

Requirements:

1. **MUST** have a valid Michigan Teaching Certificate with an early childhood endorsement (ZA/ZS) or A bachelor's degree in child development or early childhood education with specialization in preschool teaching. The transcript will document a major, rather than a minor, in child development or early childhood education.
2. Must be certified or able to certify in First Aid, CPR and on-site First Responder training.
3. Knowledge of HighScope and Conscious Discipline would be beneficial.
4. Knowledge of DHS Licensing, Program Quality Assessment (PQA), would be beneficial.
5. Comprehensive Fingerprinting and DHS clearance required for employment.
6. Administrator qualifications for an off-site center would be beneficial.

Responsibilities:

- 1) Plan and carry out an effective child development program that includes physical, social, emotional and cognitive needs of each child.
- 2) Create an environment with well-established routines and smooth transitions.
- 3) Guarantee a safe environment by providing constant supervision, appropriate arrangement of space and accurate maintenance of equipment.
- 4) Develop a calm, pleasant environment in the classroom in which children and families feel comfortable and secure.
- 5) Provide positive guidance using Conscious Discipline to help the children develop self-control.
- 6) Provide plenty of experiences through play that promote self-expression, growth of imagination and creativity.
- 7) Provide activities that develop positive approaches to learning, including persistence, problem solving and curiosity.
- 8) Develop a strong home to school relationship with families.
- 9) Maintain written records and stay up-to-date on entering information on Teaching Strategies Gold.
- 10) Work as part of a team to maintain a high standard of quality in the classroom and in the program.

If you are hired you will need to complete fingerprinting and TB testing before working with children.
