3's Preschool

September - May
Monday through Thursday
8:30 a.m. - 11:00 a.m.
(Children must be 3 years old by Sept 1st of the enrolling school year.)

WMFC offers two half day 3's programs. Each 3's classroom is staffed by highly trained teachers who are dedicated to the success of their students. WMFC preschool programs are built around the concept that children "learn through play" and that play helps children learn roles, express emotions, explore materials, improve motor skills and practice language skills. Classroom teachers strive to encourage, support and challenge students in ways that will promote individual growth. By year end students are prepared and ready for a seamless entry into a 4's classroom the following school year. This program is a tuition based program with full and partial scholarships based on income. (See page two for childcare options.)

4's Preschool

September - May
Monday through Thursday
8:30 a.m. - 3:30 p.m.
(Children must be 4 years old by Sept 1st of the enrolling school year.)

WMFC offers two quality full day 4's Great Start Readiness Preschool Programs onsite. Children spend their day participating in activities such as free choice, planning and recall, large group interactive reading, music and movement and large motor activities both indoors and out. STEM (Science, Technology, Engineering and Math) learning is also incorporated into each day. Preschool is also offered at:

- BC Community Preschool (at Bullock Creek Elementary)
- Floyd Community Preschool (at Floyd Elementary)
- Shepherd Community Preschool (at St. Vincent DePaul Church)
- St. Louis Community Preschool (at Westgate)

Preschool programming also includes parent and family focused events, activities and home visits. This Michigan Dept of Ed funded program offers free tuition spots to those families that qualify under GSRP guidelines.

Contact Jillian Westphal westphalj@wmfc.org or (989) 832-3256 for information, payment and scholarship options.

Dow College Opportunity Program

The Dow College Opportunity Program (Dow COP) serves to enrich students' lives and prepare them for college, whether that is technical certification, community college or a 4 year university. Through mentoring and a variety of activities, students are not

only equipped to handle the transition to college, but they learn to be productive, socially responsible citizens. Beginning in their freshman year of high school and continuing through college graduation, students gain a variety of experiences that allow them to get the most out of their journey. Dow COP activities include academic support, travel, cultural exposure, volunteering and social development. Each high school class experiences a week long trip each summer to help solidify the lessons that they learn throughout the school year. Student trips include *Adventure and Personal Growth*, *College Tours* and *New Horizons Exploration*. Students in 8th grade and the first semester of their freshman year of high school are encouraged to contact Mike Sobolewski at (989) 832-3256 or sobolewskim@wmfc.org for more information.
