FAMILY CENTER

Connect & Serve

Very similar to the old
African Proverb:

“It take a village to raise
a child”; we believe it
takes a community work-
ing together to make a
change in our society.
And that change happens
one person at a time—
starting with you.

Connect & Serve Members
assist and partner with
WMFC staff to accomplish
WMFC's mission. We value
this contribution and strive to
offer each Connect & Serve
Member a satisfying, produc-
tive, and rewarding experi-
ence.
